# Now, Rajasthan to monitor large investment projects electronically

TNN | Dec 24, 2016, 11.09 AM IST

**J** AIPUR: Like the Centre, now Rajasthan too has an e-Project Monitoring System (e-PMS) portal. "The e-PMS has been put in place to facilitate projects having investments between Rs 50 crore to Rs 1000 crore to resolve issues including their approvals and expeditious implementation," said Tina Kumar, commissioner, Bureau of Investment Promotion (BIP) on Friday.

Kumar said nodal officers have been appointed from different departments of the state government for the portal. A two-days training programme on e-PMS was conducted by BIP through NIC, cabinet secretariat, New Delhi on December 22 for the nodal officers and another session for the administrative officers of BIP was held at secretariat in Jaipur on Thursday.
