Apex court, however, agrees to hear his bail plea in another rape case lodged against him in state government.

HP launches 'State Project Monitoring Portal'

Shimla, Jun 30 (PTI): Now information about the stalled projects in Himachal Pradesh by both the public and private sectors will be just a click away with the government today launching a portal to monitor their progress.

Himachal Chief Secretary P Mitra today launched the 'State Project Monitoring Portal' view to put in place an institutional mechanism to track stalled investment projects, both in the public and private sectors.
